Mission

Implement the principles of Montessori education and philosophy to cultivate a spirit of collaboration, community, responsible citizenship, perseverance, and a joy for learning.

Vision

We envision a school community that fosters strong moral character, curiosity, problem-solving skills, and the ability to achieve their full potential throughout their lifetime.

Core Values

COMPASSION

We develop a sense of empathy and encourage kindness towards ourselves, others, and our environment.

DIVERSITY, EQUITY, & INCLUSION

We are dedicated to honoring the diversity of all people, families, and cultures.

EXPERIENTIAL LEARNING

We believe that hands-on learning, through exploration of the prepared environment, promotes deeper understanding of all subject matter.

RESPECT FOR THE CHILD

We are committed to respecting children as individuals and supporting them on their journeys of self-discovery.

APPRECIATION FOR NATURE

We cultivate in our students a love for, and understanding of, the natural world and our responsibility as global citizens to our planet Earth.
